i-CALL FOR TENDERS

APPEL D'OFFRES-i - VIA « I-SOURCING »

No. 16-140144-A

New Pan-European Network Service (NewPENS)

The purpose of the contract with the successful Tenderer is the outsourcing of the New Pan-European Network Service (NewPENS). NewPENS is an international ground/ground communications infrastructure jointly implemented via the present common procurement for the benefit of EUROCONTROL and European Air Navigation Service Providers (ANSPs) and other interested parties from the EUR/NAT region and bordering States in order to meet existing and future air traffic management communication requirements.

NewPENS is expected to provide support for future ATM applications, including those based on the System-Wide Information Management (SWIM) architecture developed by SESAR.

Who should tender:

Companies or consortia possessing the necessary qualifications and experience as detailed in the Call for tenders documentation.

The main selection, weighting and award criteria, the admissibility conditions, the nature of the contract to be let are contained in detail in the Appendices of the Call for tenders.

Closing date: 3 April 2017 at 15:00:00 CET (Local Brussels time)

Point of Contact:

If you wish to receive the Call for tenders please see the "Important notice" below and if you have any other related questions, please contact:

Ms Anca Dragomir
Senior Contracts Manager

Telex: 21173 EUROC B

IMPORTANT NOTICE

The full i-call for tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-call for tenders documentation please read and follow carefully the instructions below:

- **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
- **If you are not yet a EUROCONTROL supplier, please follow the 4-step**

i-CALL FOR TENDERS

APPEL D'OFFRES-i - VIA « I-SOURCING »

process described on the following link:

http://www.eurocontrol.int/articles/supplier-portal-registration-procedure

- EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
- Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the Call for tenders.
- You may:
- print out the documents;
- forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
- use print-outs of the electronic i-call for tenders documents for the submission of tenders (especially Appendix I-C.a and its annexes).
- You may not:
- modify, edit and/or change the electronic documents;
- transmit such documents to any third person who has no need to know them;
- post such documents on any private or public website;
- alter the originating source (EUROCONTROL) and or copyright signs etc., and
- transmit the documents without indication of the source.
- EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-Call for tenders (size of the project, complexity etc.).

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
