Development of supporting documentation for the operational use of Aircraft Derived Data (ADD)

EUROCONTROL is an intergovernmental organisation made up of 41 European Member States. Founded in 1960, it is a **civil-military organisation** that has the vision of **driving excellence in air traffic management (ATM) performance**. Together with its partners, EUROCONTROL is **committed to building a Single pan-European Sky** that will deliver the ATM performance required for the 21st century and beyond.

The Surveillance Modernisation section supports the performance based modernisation and rationalisation of European ATM Surveillance, focusing on the ADS-B and WAM implementation. It works actively to enable performance improvements and ensure global interoperability.

In order to achieve its objectives, the section performs operational work, contributes to standardisation and specification activities, performs evaluation activities, provides safety and security assessments etc.

The objective of this Price Enquiry is the development of supporting documentation for the operational use of Aircraft Derived Data (ADD).

1. Send an e-mail to the Point of Contact mentioned above.
2. Confirm explicitly in your e-mail message that you have read and understood the contents of this "IMPORTANT NOTICE".
3. Upon receipt of the i-Price Enquiry documentation, please send an acknowledgement of receipt to the Point of Contact.
4. Please be aware that electronic transmission is not secure and may be read by third parties.
5. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of electronic documents (or for the electronic documents themselves).
6. The paper copies of the i-Price Enquiry documentation, which are available to potential tenderers upon request, shall at all times prevail.
7. Tenders **may not be submitted electronically** and must be made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF PROPOSALS BY TENDERERS".
8. You may:
 - a) print out the documents;
 - b) forward the documents on a strictly need-to-know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-Price Enquiry documents for the submission of tenders (especially Form AF3/2-PE).
9. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required information and to sign and stamp where appropriate;
 - b) transmit such documents to any third person who has no need to see them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs, etc., or
 - e) transmit the documents without indication of the source.
10. EUROCONTROL reserves the right not to send you the tender documentation if your company is considered incapable of submitting a suitable tender (size of the project, complexity etc.).

An environmental notice:

With a view to reducing the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the i-Price Enquiry documentation if you are actually considering to submit a tender.
