

APPEL D' OFFRES

No. 17-110475-A

Call for Tenders relating to the industrialization of the ARTAS Surface Movement Surveillance (SMS) prototype and integration into an operation ARTAS Version Release.

EUROCONTROL is inviting tenders relating to the industrialisation of the ARTAS Surface Movement Surveillance (SMS) prototype and integration into an operational ARTAS Version Release. The goal of the Call for Tenders is the out-sourcing of the activities related to the industrialisation of the ARTAS Surface Movement Surveillance prototype, along with those enhancements derived during the evaluation of the prototype. The contract, once finalised, will deliver the first operational version of an ARTAS Gate2Gate system capable of covering all phases of flight.

Who should tender:

Companies who can demonstrate knowledge and experience in the following areas:

- ATC Operational Experts
- ATM/AIS Specialists
- ATM Navigation
- ATM Project Management
- ATM Strategy
- ATM/ATC related studies
- National Authority
- ATM research and Development

Closing date: 21 September 2017

Point of Contact:

If you wish to receive the price enquiry, **please see the “important notice” below** and if you have any other related questions, please contact:

IMPORTANT NOTICE

The full call for tenders documentation is available in electronic format (.pdf) and will be sent by email. If you wish to obtain the call for tenders documentation please read and follow carefully the instructions below:

1. Send an e-mail to the Point of Contact mentioned above.
2. Confirm explicitly in your e-mail message that you have read and understood the contents of this "IMPORTANT NOTICE".
3. Upon receipt of the call for tenders documentation, please send an acknowledgement of receipt to the Point of Contact.
4. Please be aware that electronic transmission is not secure and may be read by third parties.
5. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of electronic documents (or for the electronic documents themselves).
6. The paper copies of the call for tenders documentation, which are available to potential tenderers upon request, shall at all times prevail.
7. Tenders **may not be submitted electronically** and must be made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF PROPOSALS BY TENDERERS".
8. You may:
 - a) print out the documents;
 - b) forward the documents on a strictly need-to-know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic call for tender documents for the submission of tenders (especially Form AF3/2AO).
9. You may not:
 - a) modify, edit and/or change the electronic documents other than to submit the required information and to sign and stamp where appropriate;
 - b) transmit such documents to any third person who has no need to see them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs, etc., or
 - e) transmit the documents without indication of the source.
10. EUROCONTROL reserves the right not to send you the tender documentation if your company is considered incapable of submitting a suitable tender (size of the project, complexity etc.).

An environmental notice:

With a view to reducing the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the call for tenders documentation if you are actually considering to submit a tender.
