Supply of airlines schedule-related data – No. 17-110821-A

Subject and Purpose of the Proposed Contract

The purpose of the proposed contract refers to the supply of airlines schedule-related data.

The regular and frequent delivery of schedule data enables the Network Manager (NM) to enhance network business intelligence and operational support data for multiple business areas, such as the dynamic data repository (DDR), WISDOM environmental dataset, STATFOR forecast, operational planning (OPL Unit and PREDICT) and delay and punctuality analysis and improvement (CODA Fleetwatch and Operational Analysis and Reporting (OAR) unit). While NM is the organiser of this data supply, the applications are Agency-wide, through the transversal PRISME data warehouse.

Who should tender:

The intended audience of this document is the potential suppliers that can provide the requested data in accordance with the requirements of the Call for Tenders.

Closing date: 30 January 2018 at 3.00 p.m. (Local (Brussels) Time)

Point of Contact:

If you wish to receive the call for tenders please see the “important notice” below and if you have any other related questions, please contact:

IMPORTANT NOTICE

The full i-call for tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-call for tenders documentation please read and follow carefully the instructions below:

1. **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
2. **If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link:**
<http://www.eurocontrol.int/articles/supplier-portal-registration-procedure>
3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF TENDERS".
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-call for tenders documents for the submission of tenders (especially Form i-AF3/2CFT).
6. You may not:
 - a) modify, edit and/or change the electronic documents, other than to submit the required information and to sign/stamp where required;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.
7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-call for tenders (size of the project, complexity etc.).

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
