No. 17-660077-A

Time-based assistance of a highly skilled Software Quality Expert, as reinforcement of the SQI team at the Maastricht UAC, to ensure SW documentation compliance with ED-153.

The Maastricht UAC is seeking tenders relating to the assistance of a Software Quality Expert.

Required skills and qualifications, amongst others:

- The tendering company should be well reputed, with relevant experience in a relevant field (Like Quality, SW Engineering). The company shall be in the Software Engineering Safety/Quality business for 5 years minimum, be able to provide serious references. Proposed Staff members will be own staff or staff working exclusively for the company.
- University degree in Science or Engineering, or equivalent professional experience.
- Proposed CV with minimum of 5 years relevant experience e.g. in SW engineering, auditing, quality management.
- Very good English and communication skills.
- Security clearances of the selected staff.

Desirable skills and qualifications are amongst others:

- Useful diploma, or experience beyond minimum required (appreciation by jury).
- Autonomy, motivation, commitment, result-driven.
- Good interpersonal and team-working skills. Ability to communicate technical details clearly and succinctly to peers and to management.
- Experience in a SW Safety and Quality assurance environment, experience with ED-153, SWAL, quality standards, configuration management,.. Preference for a SW Engineer, specialized in Quality/Safety rather than a Quality/Safety Engineer interested in SW.
- Knowledge of procedures and environments similar to MUAC (e.g. aeronautics, safety-critical...)

IMPORTANT NOTICE

The full i-call for tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-call for tenders documentation please read and follow carefully the instructions below:

1. **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
2. **If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link:**

<http://www.eurocontrol.int/articles/supplier-portal-registration-procedure>

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF TENDERS".
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-call for tenders documents for the submission of tenders (especially Form i-AF32CFT).
6. You may not:
 - a) modify, edit and/or change the electronic documents other than to complete the required information and to sign/stamp the Tender Form;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.
7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-call for tenders (size of the project, complexity etc.).

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
