No. 17-660181-E

Tasking assignments of a highly skilled Splunk Engineer.

EUROCONTROL is inviting tenders relating to tasking assignments of a highly skilled Splunk Engineer in support of the Maastricht UAC – Horsterweg, 11 – 6199 AC Maastricht-Airport – The Netherlands - for a maximum period of 40 (forty) man days. MUAC wants to acquire professional services to assist the IT security team in the expansion of the configuration of the SPLUNK implementation at MUAC.

These assignments could include SPLUNK related configuration activities, such as the integration of additional data sources, installation of additional components (eg. forwarders), definition of correlation searches in the enterprise security app, configuration of a security dashboard, etc...

This Price Enquiry addresses all interested companies that are in a position to offer and guarantee the services as described above.

Who should tender:

Suppliers that are in position to offer and guarantee the services as described above.

Important note:

The attention of the tenderers is drawn to the fact the materials, equipment and installations shall be in conformity with the latest applicable standards, directives and regulations of the national and/or municipal Dutch government. Interested tenderers should note that some of these documents may not be available in the English language and EUROCONTROL shall not provide any translators.

IMPORTANT NOTICE

The full i-price enquiry documentation is in electronic format (.pdf).

If you wish to obtain the i-price enquiry documentation please read and follow carefully the instructions below:

1. **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
2. **If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link:**

<http://www.eurocontrol.int/articles/supplier-portal-registration-procedure>

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF TENDERS".
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-price enquiry documents for the submission of tenders (especially Form i-AF3/2-e).
6. You may not:
 - a) modify, edit and/or change the electronic documents;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.
7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-price enquiry (size of the project, complexity etc.).

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
