

## CFT No. 18-110476-A

### Subject : Technical and Functional MEGA Administration

#### General

The European Organisation for the Safety of Air Navigation (EUROCONTROL) was founded in 1960 by six States. It now has 41 Member States. EUROCONTROL's mission is to harmonise and integrate air navigation services in Europe, aiming at the creation of a uniform air traffic management (ATM) system for civil and military users, in order to achieve the safe, secure, orderly, expeditious and economic flow of traffic throughout Europe, while minimising adverse environmental impact.

#### Specific context

The activities related to this call for tender are in the MEGA Support domain to provide modelling solutions with MEGA HOPEX V1R3 and future releases/versions (e.g. V2R1) that are fit for purpose and to guarantee the integrity of the repository.

The EATMA community today includes 400 Viewers/Contributors, 42 Architects and 1 administrator. The structure of the MEGA servers and of the MEGA repositories, as of today, is explained in the attached document "EATMA MEGA repositories".

The contract is expected to start September 2018 and will end on 21 December 2018
