No. REF. 18-140409-A

EUROCONTROL is inviting tenders relating to the Safety Assessment of Network Operations Services changes and safety case reporting (the Forms Safety Services).

The European Organisation for the Safety of Air Navigation (EUROCONTROL) was founded in 1960 by six States. It now has 41 Member States. EUROCONTROL's mission is to harmonise and integrate air navigation services in Europe, aiming at the creation of a uniform air traffic management (ATM) system for civil and military Users, in order to achieve the safe, secure, orderly, expeditious and economic flow of traffic throughout Europe, while minimising adverse environmental impact.

Within EUROCONTROL, the Network Manager directorate (NMD) is fulfilling the role of European ATM Network Manager according to the European Commission mandate.

The selected Contractor shall perform safety assessments of NMD releases and projects and deliver all related deliverables as per NMD safety processes and applicable regulations for the duration of the contract.

Who should tender: Contractors who can deliver the NM Safety Services mentioned above and who have proven expertise and resources in providing such services.
