Giusy Sciacca and Nicola Romano - ANACNA

14:15 **Session 7: "Nuclear Family"**
Fever Dream Theatre
Nuclear Family is a gripping piece of interactive theatre which follows Joe and Ellen, nuclear plant workers and siblings, faced with an imminent disaster. Audience members will be privy to what could possibly be their last hours as they struggle with the biggest decisions of their lives. In this participative production, the audience will experience the pressure of making what might be life and death decisions.

16:00 **Coffee Break**

16:30 **Session 8: "Take-away and lessons learned from Nuclear Family" - Implications from a Just Culture perspective**
This facilitated session will explore audience reactions following the experience of Nuclear Family. What were your thoughts about the actions of Joe and Ellen, and the situation in which they found themselves? What are the implications for you and your organisations from Just Culture perspective?

Moderated *interactive discussion with Tony Licu, Head of Safety Unit and Dr. Steve Shorrock, European Safety Culture Programme Leader - EUROCONTROL Network Manager*

16:55 **Conclusions of Day 1**

17:00 **Closure of Day 1**

17:00 **Exclusive Informal session with Pilots and Air Traffic Controllers participants in past Prosecutor Expert Course – news about the course and feedback**

17:20 ***Moderated*** *interactive discussion led by EUROCONTROL with support of IFATCA and ECA (European Cockpit Association)*
