No. 18-220277-A

ESCAPE HMI Maintenance

The purpose of the contract to be let with the successful Tenderer is the "Third Party Maintenance" of the ESCAPE HMI products. It covers the following aspects:

- The corrective maintenance and support of the ESCAPE HMI sub-system including its documentation on validated releases.
- The adaptive and perfective maintenance of the ESCAPE HMI sub-system due to the evolutions of the ESCAPE real-time simulator.
- The provision of specific support service to Real Time Simulation, in order to support the capture, analysis and development of ECHOES software adaptations requested by ESCAPE simulations clients..

Who should tender:

The Contractor Personnel shall possess :

- confirmed experience in the ATC HMI domain
- confirmed experience in Management of software development projects,
- confirmed experience in Unix environment,
- confirmed experience in C++ programming languages,
- confirmed experience in CORBA and TCP communication standards
- confirmed experience in Object Oriented and UML software design techniques,
- High level of experience in the SYSCO / Ground-Ground data coordination ATC application
- High level of experience in integration skills in complex system and Simulation/Experimentation experience,
- At least medium level of experience in the following ATC applications: Datalink, Safety Nets and Medium Term Conflict detection,
- High level of ability to write professional documents in English.
- Understanding of the need and compliance with our requirements including the one listed in [2] ESCAPE Generic Requirement
- Demonstrate ESCAPE experience

fax.: ++33 1 69 88 70 18

IMPORTANT NOTICE

The full i-call for tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-call for tenders documentation please read and follow carefully the instructions below:

1. **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
2. **If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link:**

<http://www.eurocontrol.int/articles/supplier-portal-registration-procedure>

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF TENDERS".
5. You may:
 - a) print out the documents;
 - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
 - c) use print-outs of the electronic i-call for tenders documents for the submission of tenders (especially Form i-AF32CFT).
6. You may not:
 - a) modify, edit and/or change the electronic documents;
 - b) transmit such documents to any third person who has no need to know them;
 - c) post such documents on any private or public website;
 - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
 - e) transmit the documents without indication of the source.

i-CALL FOR TENDERS

APPEL D'OFFRES-i - VIA « I-SOURCING »

7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-call for tenders (size of the project, complexity etc.).

An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
