

## **APPEL D'OFFRES-i - VIA « I-SOURCING »**

### **No. 19-220189-A**

### **IRiS Research To Deployment**

The purpose of the Contract to be let with the successful Tenderer is to drive a five fold development approach for IRiS:

- A concept demonstrator that functions using ECTL data sources
- A suite of safety data analysis tools tailorable to ANSPs data types
- A package of support to ANSPs that wish to deploy the IRiS
- Support to the development and deployment of new models
- Enterprise level data access security and product quality

#### **Who should tender:**

The Contractor Personnel shall demonstrate :

- Experience of engineering fault tree principles in software
- Experience of web hosting and web based application development
- Experience of Advanced HMI development
- Familiarity with ATM
- Experience of working with ANSPs in a safety capacity
- Experience of developing & deploying complex software in ATM with ANSPs
- Ability to process a/c track data into performance measures
- Experience in designing flexible dashboards
- Experience of working with the FAA

## APPEL D'OFFRES-i - VIA « I-SOURCING »

### IMPORTANT NOTICE

The full i-call for tenders documentation is in electronic format (.pdf).

If you wish to obtain the i-call for tenders documentation please read and follow carefully the instructions below:

1. **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
2. **If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link:**

**<http://www.eurocontrol.int/articles/supplier-portal-registration-procedure>**

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF TENDERS".
5. You may:
  - a) print out the documents;
  - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
  - c) use print-outs of the electronic i-call for tenders documents for the submission of tenders (especially Form i-AF32CFT).
6. You may not:
  - a) modify, edit and/or change the electronic documents;
  - b) transmit such documents to any third person who has no need to know them;
  - c) post such documents on any private or public website;
  - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
  - e) transmit the documents without indication of the source.
7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-call for tenders (size of the project, complexity etc.).

#### An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
