### **Data Preparation Support Network Operations Management / Airspace Simulation DNM/SIM RTS Project**

The purpose of the contract to be let with the successful Tenderer is to setup a data preparation service to cover EUROCONTROL's needs for air traffic validations through Real Time Simulations (RTS) The simulations relate to the validation of new concepts, airspace design options, route network improvements, free route airspace utilisation, airport improvements, operational procedures, ATCO support tools, and capacity and sectorisation opportunities. Every simulation relies on accurate data, correctly formatted and organised. The data is gathered from multiple sources and comprises the airspace and traffic sample(s) essential for the successful preparation, testing and execution of a Real Time Simulation.

#### **Who should tender:**

The Contractor shall provide Contractor's Personnel who possess:

- Confirmed experience with preparation of ATC Real Time simulations
- Confirmed experience with database management
- Office IT skills and tools (e.g. Word; Excel)
- Understanding of air traffic management concepts (airspace, traffic, ATC procedures...)
- Excellent command in English
- Proven ability working in an international environment with the availability to travel abroad, to work in team and to provide continuity in support.

The full i-price inquiry documentation is in electronic format (.pdf).

If you wish to obtain the i-call for tenders documentation please read and follow carefully the instructions below:

1. **If you are already registered in the EUROCONTROL Supplier Portal, please send an e-mail to the Point of Contact mentioned above to get access to the documentation.**
2. **If you are not yet a EUROCONTROL supplier, please follow the 4-step process described on the following link:**

**<http://www.eurocontrol.int/articles/supplier-portal-registration-procedure>**

3. EUROCONTROL accepts no responsibility whatsoever for the completeness, accuracy and/or timeliness of the transmission of the electronic documents (nor for the electronic documents themselves).
4. Submission of tenders shall **be made electronically** and shall be exclusively made in strict accordance with the instructions given in the "NOTICE CONCERNING THE PRESENTATION OF TENDERS".
5. You may:
  - a) print out the documents;
  - b) forward the documents further on a strictly need to know basis (always fully acknowledging the source, i.e. EUROCONTROL), and
  - c) use print-outs of the electronic i-call for tenders documents for the submission of tenders (especially Form i-AF32CFT).
6. You may not:
  - a) modify, edit and/or change the electronic documents;
  - b) transmit such documents to any third person who has no need to know them;
  - c) post such documents on any private or public website;
  - d) alter the originating source (EUROCONTROL) and or copyright signs etc., and
  - e) transmit the documents without indication of the source.
7. EUROCONTROL reserves the right not to send you the tender documentation, if your company is considered as incapable of submitting an offer to the i-call for tenders (size of the project, complexity etc.).

#### An environmental notice:

With a view to reduce the exponential growth of paper consumption, we would invite you only to print out electronic documents received and/or request paper copies of the price enquiry documentation if you are actually considering to submit a tender.
